*To improve health
through leadership,
service and education.*

Welcome to Harbor-UCLA Medical Center. As a Los Angeles County Employee you are required to be cleared by Employee Health Services (EHS) prior to beginning your duties.

The Employee Health Packet includes medical evaluation forms and questionnaires that are required to be completed prior to your visit on **Friday, July 2, 2010** to Employee Health Services (EHS). All forms and questionnaires should be brought and presented to EHS the day of Orientation on **Friday, July 2, 2010**.

Form (A) - Workforce Member Pre-Placement Health Examination
Is required to be completed by a physician or other licensed health care professional along with Form C. The physical exam is not to be self administered.

Form (B) - Tuberculosis History and Evidence of Immunity
This form is used as a template to assist in mandated health requirements. **(DO NOT COMPLETE)**.

Form (C) - General Pre-Placement Medical Questionnaire
You are required to complete in full along with Form (A) prior to orientation.

Form (K) - Declination Forms
You are required to complete if declining Hepatitis B vaccinations.

Form (P) - Respirator Medical Evaluation Questionnaire
Must be completed prior to orientation.

Form (T1) - General Consent Form (DO NOT SIGN PRIOR)
Must be signed in the presence of staff at EHS on **July 2, 2010**.

***Providing the following Non-mandatory documents will assist in expediting your work clearance.**

- a. Copy of Tuberculosis Skin Test (TST) documented in millimeters or a single blood assay for M. tuberculosis (BMAT) completed within the last 12 months.
- b. Copy of any immunizations or titers to the following: Measles, Mumps, Rubella, Varicella-zoster, Tetanus, Diphtheria, Acellular Pertussis, Influenza, and Hepatitis B Vaccine.
- c. Copy of Chest X-Ray report within the last 12 months for individuals with positive (TST).

The following information will be obtained at the EHS on **July 2, 2010**. Completing the above documents will facilitate the health clearance process and avoid delays in your training program start date.

- a. A "2 step" TST will be conducted if you cannot provide documentation of a TST within the previous 12 months. This may require a total of 3 visits.
- b. If you have been documented with a positive TST in millimeters you will be required to have a baseline posterior anterior chest x-ray at hire/assignment or provide written documentation of a normal chest x-ray taken no more than 12 months prior to hire/assignment.
- c. Adequate presumptive evidence of immunity as determined by EHS for vaccine-preventable diseases shall be assessed at the time of pre-employment/pre-placement evaluation.
 - 1) Measles:
 - a) Documented administration of two doses of live measles virus vaccine or
 - b) Laboratory evidence of immunity or laboratory confirmation of disease.

www.dhs.lacounty.gov

- 2) Mumps:
 - a) Documented administration of two doses of live mumps virus vaccine or
 - b) Laboratory evidence of immunity or laboratory confirmation of disease.
- 3) Rubella:
 - a) Documented administration of one dose of live rubella virus vaccine or
 - b) Laboratory evidence of immunity or laboratory confirmation of disease.
- 4) Varicella-zoster:
 - a) Documentation of 2 doses of vaccine or
 - b) Laboratory evidence of immunity or laboratory confirmation of disease.
- 5) Tetanus-diphtheria:
 - a) tetanus-diphtheria (Td) booster is recommended for all workforce members every 10 years.
- 6) Acellular Pertussis:
 - a) Tdap should replace a one time dose of Td for adults aged 19-64 years who have not previously received a dose of Tdap.
- 7) Annual Influenza Vaccination or Declination:
 - a) Workforce members shall receive an annual seasonal influenza vaccination or
 - b) Submit a signed declination form.
- 8) Hepatitis B:
 - a) All workforce members shall have a documented post vaccination antibody to hepatitis B surface antigen HbsAb(anti-HBs) or
 - b) Submit a signed declination form prior to assignment.

Additional Tests or Procedures that may be performed during orientation:

- a. Chest x-ray
- b. Documentation and/or completion of a 2 Step PPD procedure
- c. Respiratory Fit Test

If you need an accommodation or have work restrictions, you will need to bring in specific orders written by your physician. These cases will be referred to our Return-To-Work Unit for an interactive meeting and an effective work assignment.

Harbor-UCLA Medical Center welcomes you. We want to ensure you to have a positive experience during your time in training with the County. Please contact your GME office at 310-222-2911 or the facility EHS at 310-222-2360 for further assistance.

Sincerely,

Employee Health Services

 **GENERAL INSTRUCTIONS**

Pre-placement health assessment is performed to ascertain medical fitness for duty, document the absence of and/or immunity to certain infectious diseases, and to establish a baseline for those who require ongoing medical surveillance. This assessment also includes medical evaluation prior to respirator fit testing and respirator use. For Returning Retirees and Reinstatements, Pre-Employment Evaluations are required unless the rehire is within three months of the date of termination or rehired within six months of the date of termination and the physical demands of the job have not changed. Any potential workforce members requiring an accommodation must be referred to DHS Risk Management, Return-To-Work for review of needs.

DHS-EHS staff shall verify/review documentation(s) and record completion of this form for workforce member. This form and its attachment, if any, such as medical records shall be filed in workforce member's EHS medical file. All medical records of workforce member are confidential in accordance with federal, state and regulatory requirements.

GENERAL INSTRUCTIONS

SECTION	
TUBERCULOSIS DOCUMENTATION HISTORY	
ALL WORKFORCE MEMBER (WFM) SHALL BE SCREENED FOR TB UPON HIRE/ASSIGNMENT	
A	WFM shall receive a baseline TB screening using two-step Tuberculin Skin Test (TST). Step 1: Administer TST test, with reading in seven days. Step 2: After Step 1 reading is negative, administer TST test, with reading within 48-72 hours. If both readings are negative, WFM is cleared to work. WFM shall receive either TST or BAMT and symptom screening annually. a. Documentation of negative TST within 12 months prior to placement will be accepted. WFM shall receive a one-step TST with reading within 48-72 hours. If result is negative, WFM is cleared to work; b. Documentation of negative two-step TST within 12 months prior to placement will be accepted. WFM is cleared to work. If TST is positive, record results and continue to Section C.
B	WFM shall receive a baseline TB screening using a single blood assay for M. tuberculosis (BAMT). If negative result, WFM is cleared to work. WFM shall receive either TST or BAMT and symptom screening annually. a. Documentation of negative BAMT within 12 months will be accepted. WFM is cleared to work. If BAMT is positive, record results and continue to Section D.
TST POSITIVE RESULTS	
If CHEST X-RAY IS POSITIVE, DO NOT CLEAR FOR HIRE/ASSIGNMENT, AND REFER WORKFORCE MEMBER FOR IMMEDIATE MEDICAL CARE	
C	If TST is positive during testing in Section A or C above, send for a chest x-ray (CXR). If CXR is negative, WFM is cleared to work. Documentation of negative CXR within 12 months prior to placement will be accepted for clearance to work. WFM shall be symptom screened for TB annually.
D	If BAMT is positive during testing in Section D above, send for a CXR. If CXR is negative, WFM is cleared to work. Documentation of negative CXR within 12 months prior to placement will be accepted for clearance to work. WFM shall be symptom screened for TB annually.
E	If WFM have a documented history of active TB, send for a chest x-ray (CXR). If CXR is negative, WFM is cleared to work. Documentation of negative CXR within 12 months prior to placement will be accepted for clearance to work. If documentation is supported, WFM is cleared to work. WFM shall be symptom screened for TB annually. Record documentation result in this section.
F	If WFM have a documented history of latent tuberculosis infection (LTBI) treatment, send for a chest x-ray (CXR). If CXR is negative, WFM is cleared to work. Documentation of negative CXR within 12 months prior to placement will be accepted for clearance to work. If documentation is supported, WFM is cleared to work. WFM shall be symptom screened for TB annually. Record documentation result in this section.
IMMUNIZATION DOCUMENTATION HISTORY	
Documentation of immunization or adequate titers will be accepted. If WFM is not immune against communicable diseases as listed in this section, WFM shall be immunized (unless medically contraindicated). WFM who declines the vaccination(s) must sign the mandatory declination form. WFM who declines the vaccination(s) may be restricted from patient care areas of the hospital or facility. If WFM is non-immune or decides at a later date to accept the vaccination, DHS or WFM contract agency will make the vaccination available.	
G	Documentation of laboratory evidence of immunity or laboratory confirmation of disease will be accepted OR documentation of two doses (live measles, mumps and varicella) and one dose of live rubella virus vaccine. Measles vaccine shall be administered no earlier than one month (minimum 28 days) after the first dose. Mumps second dose vaccine vary depending on state or local requirements. Varicella doses shall be at least 4 week between doses for WFM. If Equivocal, WFM needs either vaccination or re-draw with positive titer.
H	Td – After primary vaccination, Td booster is recommended every 10 years. If unvaccinated WFM, primary vaccination consists of 3 doses of Td; 4-6 weeks should separate the first and second doses; the third dose should be administered 6-12 months after the second dose. Tdap should replace a one time dose of Td for HCP aged 19 through 64 years who have not received a dose of Tdap previously. An interval as short as 2 years or less from the last dose of Td is recommended for the Tdap dose.
I	All WFM who have occupational exposure to blood or other potentially infectious materials shall have a documented post vaccination antibody to Hepatitis B surface antigen HBsAb (anti-HBs). Hepatitis B vaccine series is available to WFM. Non-responders should be considered susceptible to HBV and should be counseled regarding precautions to prevent HBV infection and the need to obtain HBIG prophylaxis for any known or probable parenteral exposure to HBsAg positive blood.
J	Seasonal influenza is offered annually to WFM when the vaccine becomes available.
K	H1N1 influenza is offered annually to WFM when the vaccine becomes available.

DHS-EHS staff shall verify/review documentation(s) and record completion of this form for workforce member. This form and its attachment, if any, such as medical records shall be filed in workforce member's EHS medical file. All medical records of workforce member are confidential in accordance with federal, state and regulatory requirements.

8 CCR §5199. Appendix C1 - Vaccination Declination Statement (Mandatory)

I understand that due to my occupational exposure to aerosol transmissible diseases, I may be at risk of acquiring infection with _____ (letter of name of disease or pathogen). I have been given the opportunity to be vaccinated against this disease or pathogen at no charge to me. However, I decline this vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring _____, a serious disease. If in the future I continue to have occupational exposure to aerosol transmissible diseases and want to be vaccinated, I can receive the vaccination at no charge to me.

8 CCR §5193. Appendix A-Hepatitis B Vaccine Declination (Mandatory)

I understand that due to my occupational exposure to blood or OPIM I may be at risk of acquiring Hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with Hepatitis B vaccine, at no charge to myself. However, I decline Hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or OPIM and I want to be vaccinated with Hepatitis B vaccine, I can receive the vaccination series at no charge to me.

Specialty Surveillance Declination (Mandatory)

I understand that due to my occupational exposure to _____, I am eligible and have been given the opportunity to enroll in the _____ Medical Surveillance Program. This will enable me to receive specific initial, periodic and exit medical examinations for the hazard identified above, at no charge to myself and at a reasonable time and place.

However, I decline to be enrolled in this program at this time. I understand that by declining this enrollment, I will not be medically monitored for occupational exposure to this hazard. I understand that it is strongly recommended that I complete an _____. I also understand that if in the future I continue to have occupational exposure to _____ and I want to be enrolled in the _____ Medical Surveillance Program, I can do so at any time at no charge to me.

Place appropriate assigned letter in the provided spaces above, as needed.

COMPLETE ONCE EVERY FOUR (4) YEARS OR AS NEEDED

This Appendix is Mandatory if the Employer chooses to use a Respirator Medical Evaluation Questionnaire other than the Questionnaire in Section 5144 Appendix C.

To the PHYSICIAN OR LICENSED HEALTH CARE PROFESSIONAL: Answers to questions in Section 1, and to question 6 in Section 2 do not require a medical examination. Workforce member must be provided with a confidential means of contacting the health care professional who will review this questionnaire.

To the WORKFORCE MEMBER: Can you read and understand this questionnaire (check one): Yes No

Your employer must allow you to answer this questionnaire during normal working hours, or at a time and place that is convenient to you. To maintain your confidentiality, your employer or supervisor must not look at or review your answers, and your employer must tell you how to deliver or send this questionnaire to the health care professional who will review it.

Please complete this questionnaire in PEN and present to the staff at the examination clinic. **To protect your confidentiality, it should not be given or shown to anyone else.** On the day of your appointment, you must bring a valid driver's license or other form of identification which has both your photograph and signature.

SECTION 1

The following information must be provided by every workforce member who has been selected to use any type of respirator (please print).

 **GENERAL INSTRUCTIONS**

THIS QUESTIONNAIRE IS TO BE REVIEWED BY A PHYSICIAN OR LICENSED HEALTH CARE PROFESSIONAL.

8 CCR §5199

Medical evaluation: DHS-EHS or contract agency shall provide a medical evaluation, in accordance with 8 CCR §5144(e) of these orders, to determine the workforce member's (WFM) ability to use the respirator before the WFM is fit tested or required to use the respirator. For WFM who use respirators solely for compliance with subsections (g)(3)(A) and subsections (g)(3)(B), this alternate questionnaire may be used.

8 CCR §5144(e)

1. General. DHS-EHS or contract agency shall provide a medical evaluation to determine the workforce member's (WFM) ability to use a respirator, before the WFM is fit tested or required to use the respirator in the workplace. DHS-EHS may discontinue a WFM's medical evaluations when the WFM is no longer required to use a respirator.
2. Medical evaluation procedures.
 - a. DHS-EHS or contract agency shall identify a physician or other licensed health care professional (PLHCP) to perform medical evaluations using a medical questionnaire or an initial medical examination that obtains the same information as the medical questionnaire.
 - b. The medical evaluation shall obtain the information requested by this questionnaire in Sections 1 and 2, Part A.
3. Follow-up medical examination.
 - a. DHS-EHS shall ensure that a follow-up medical examination is provided for a WFM who gives a **positive** response to any question among questions 1 through 8 in Section 2, Part A of this questionnaire or whose initial medical examination demonstrates the need for a follow-up medical examination.
 - b. The follow-up medical examination shall include any medical tests, consultations, or diagnostic procedures that the PLHCP deems necessary to make a final determination.

DHS-EHS staff shall verify/review documentation(s) and record completion of this form for workforce member. This form and its attachment, if any, such as medical records shall be filed in workforce member's EHS medical file. All medical records of workforce member are confidential in accordance with federal, state and regulatory requirements.
